CONTROLLED MOTION

We will find the solution.

ISO 9001:2015 Certified

**Whether you need a quick quote or value-add support,
we remove hurdles to provide confidence in our offerings**

PRODUCTS

We represent and distribute proven automation technologies with technical insight for real-world applications.

Manufacturers Representative

ROLLON®
BY TIMKEN

- Aerospace Linear Components
- Linear Guides
- Linear Actuators

- Gantry Systems
- Multi-Axis Robots
- Telescopic Rails

Moorfeed
A Division of EAS

- Vibratory Bowl Feeders
- Tracking Systems
- Centrifugal Feeders

- Elevating Pre-Feeders
- Bulk Storage Hoppers

JENNY SCIENCE 

- Linear Motor Slides
- Linear Motor Axes

- Rotary Motor Axes
- Servo Controllers

Authorized Distributor

Including Common
Off The Shelf Items

Kawasaki
Kawasaki Robotics (USA), Inc.

- Material Handling
- Collaborative Robots
- Painting
- Palletizing

- Pick & Place
- Spare Parts
- Welding - Arc
- Welding - Spot

AMKmotion
MEMBER OF THE ARBURG FAMILY

- Servo Motors
- Engineering & Programming Services for Custom-Built Servo Systems

- Full Product Line Evaluation, Diagnostic Service & Repair
- Motion Controllers

SANYO DENKI
SANMOTION

- Full Product Line Evaluation, Diagnostic Service & Repair
- Stepper Motors

- Motion Control
- Custom Engineering Support
